Dear MIDAS POI Basic Manager:

On July 15, when the new [POI Portal](#) goes live, your MIDAS role will automatically change to an Enhanced Reader role. This is a read-only role. After July 15, all changes to POI data will be done in the POI Portal.

**Before you can access the new POI Portal you're required to complete an online POI policy training:**

- The training will take 15-20 minutes to complete and can be accessed in the [Harvard Training Portal](#).
- **Please complete the training as soon as possible so that you can access the POI Portal when it launches on July 15, and no later than July 31.**

We'll contact you again soon with details about how to access the POI Portal.
